### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The closest piece of prior art found by examiner is Terada et al, #7,113,983. Terada shows all of applicant's apparatus except a ***management site***. Terada et al clearly shows in Fig. A plurality of server sites A...N that a client computer can access in order to download music, videos, etc. No obvious combination of references found would have taught one of ordinary skill in the art to make and use applicant's apparatus as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Creighton H. Smith whose telephone number is 571/272-7546. The examiner can normally be reached on M-F, alternate Fridays off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Fan Tsang can be reached on 571/272-7547. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
